The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated March 18th, 1937, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable and it is desirable that it be accepted.

Dear Sir:

Re: James Jones
Joint Relief Advances
S 16-1-11-4th.

The above party obtained the following Joint Relief Advances giving us security liens on the title to the above land.

January [illegible] 1942	$21.85
March 30,1922	[illegible]
	[illegible]
Interest to March 31,1953	[illegible]

This office has been approached in behalf of the debtor and the sum of seventy-five dollars and five cents ($75.05) was tendered in satisfaction of the above account.

Information supplied is to the effect that the debtor is 61 years of age and suffers from bronchitis and asthma resulting in him being unable to carry on his farming operations. He has been receiving a small sum as rental from this quarter but as there are only 30 acres under cultivation he has received insufficient to provide himself and wife with both a home and living. He is presently visiting his son-in-law in the telephone office at Manisawa in return for which receives living quarters.

The land has recently been sold for the sum of Twenty-one hundred dollars ($2100.00) which would be a fair price in view of its location in one of the better parts of the province and the fact that only 30 acres arable, the balance the quarter being suitable for grazing only in addition to which there are buildings of value on the quarter. The debtor hopes to be able to maintain himself and wife until such time as he becomes eligible for pension. In view of the foregoing it is my recommendation that the offer be accepted, the sum of Twenty-one dollars and sixty-eight cents ($329.68) having previously been applied on interest, the balance of the account being written off and the liens discharged.

Yours very truly.

Dear Mr Home

Yesterday I sent you the $ 210.30 cts which I owed you the 10th of being delayed in many ways I am sorry that I am no longer owner of the Sol[th] 19 reserve as the Indians [illegible] bought me out. You see I signed an option for them to purchase from me and told them I wanted to retain the acreage with my buildings on which is about 3 acres. And they promised to let me keep it. But when they came to purchase they denied all promises and took title to all of Sol[th] 19. When they had done this. I wrote you to purchase the 4 acres as my buildings are close to it. And I could easily remove them. And I wish to appeal to the Government again for the purchase of the 4 acres named.

Sol[th] 4. 22. 3[rd] 3[rd] W 5[th] on behalf of my family of seven children and wife. I also have been here since 1886. The reason of my being out of a home is because I only speak a little English here and cannot read or write. I could not realize that the company could take advantage of my signature and not keep

Memorandum:

Application of Alfred Plante to purchase the Frac.S.E. 12-14-, 7th M., containing 4 acres and shown on the attached sketch tinted in green.

Mr.Plante was advised in May last, that he might purchase the above parcel on giving ownership of Lot 19, Lac Ste. Anne Settlement, shown on the sketch tinted in red (your letter of the 8th April last).

Mr.Plante now advises the Department that he has sold the said Lot 19 to the Canadian Northern Railway Company, but had a verbal promise from the Company, which it now declines to recognize, that three acres, or more, are situated the buildings, ~~should~~ would not be included in the transfer. The applicant states that the mistake occurred through his ignorance of the english language and that the Company has taken advantage of his signature to claim the whole of the Lot, on which he has resided for thirty-two years.

Mr.Plante further represents that the four acres applied for are situated near his buildings, which could be easily removed there, and that, unless the application is favourably considered, he will be left without a home for his wife and seven children.

In my opinion, a Homestead Inspector's report should be obtained, respecting Mr.Plante's statements and, if found correct, an Order in Council should be obtained to authorize the sale of the four acres applied for.

Sir,

With reference to your letter of the 1st ultimo, Ref. There is no application under consideration from the owner of the adjoining land to purchase the fractional S.½ of the said section 25. The only available parcels of your applied for are that part of the N.½ of section 3, township 78, range 4, West 4th Meridian, north of the lake, and the fractional N.½ of section 26, township 78, range 4, west 5th meridian. It is observed that, in February, 1911, the Department had under consideration an application to purchase the parcel in question from Mr. Abraham Plante who formerly owned and resided on Lot 19 Lake St. Ann Settlement, but that such application, due to an oversight, was not finally dealt with. The Inspector should include in his report a statement as to the present whereabouts of Mr. Plante, and as to whether there is any

Sir,

With reference to your letter of the 5th February last, File No. 2013.6, enclosing the report of Mr. Homestead Inspector McConnachie in relation to the fractional S.W.¼ of Section 12, Township 44, Range 3, West of the Fifth Meridian, I beg to point out that the Inspector has not yet furnished the information called for by my letter of the 15th April last, wherein it was requested that a statement should be made as to the present address of Mr. Abraham Plante.

In this connection I would call your attention to the Departmental letter of the 14th August, 1911, in which it was set forth that, according to representations made by Mr. Plante, he had sold his quarter-section, less the Ste. Anne settlement, to the Canadian Northern Railway Company but had a verbal promise from the Company that it declined to recognize that three acres on which the buildings were situated could not be included in the transfer and that the buildings could be easily moved to the said fractional S.W.¼ of section 12, thus ensuring a home for him and his family.

Sir,

Re S.E.¼ 18-20-9-W.4th M.

I am to inform you that the Dominion Lands Agent at Lethbridge reports that no application for patent has been received for the land above described which stands as a pre-emption in the name of John Craig, whose homestead is the south west quarter of this Section.

Possibly it might be well to inform the official aforesaid of the date and place and before whom application for patent was made by Mr. John Craig, Jr. for his homestead and by yourself for the North West quarter of Section 18, Township 20, Range 9, West of the 4th Meridian, when the matter will be further looked into.

It is regretted that for the present departmental file covering John Craig's Jr. homestead, the South West quarter of Section 18, Township 20, Range 9, West of the 4th Meridian, cannot be traced.

I beg to inform you that the Chief Taxation Clerk, Department of Municipal Affairs, Edmonton, advises that liens for $225.00, $102.00 and $40.00, respectively, cloud the title to the above described land, and to say the records here show that these liens were given by one John Craig against the N.½ 14-20-9-W. 4th M., and should not cloud the title to the first above described land.

You are, therefore, hereby authorized and requested to remove from the title to the said the S.½ 14-14-3-W. 4th M., the liens in question for $225.00, $102.00 and $40.00, respectively, registered against it.

Mr. J. W. Judge,

Dear Sir:

Re: John Craig, Jr.
Joint Relief Advance
[illegible]

The above party obtained a Joint Relief Advance on March 1st,1922, in the amount of Fifty-two dollars and seventy cents ($52.70) giving as security a lien on the title to the above land. No payment has been made and there is outstanding including interest calculated to December 31st,1951, the sum of One hundred and sixty dollars ($160.00). The N.E. 18-20-9-W.4th was allowed to revert to the province for non-payment of taxes and has been transferred to the jurisdiction of the Department of Lands and Forests, who holds same available for lease only, the land being situated in one of the drier parts of the province which has received awards under the Prairie Farm Assistance Act in each year but one in which awards have been granted.

The debtor has now disposed of the N.W. 18-20-9-W.4th and has approached this office through his solicitors for a compromised settlement of the amount owing, tendering the sum of One hundred dollars ($100.00) for a release of the lien.

The solicitors advise that in addition to himself the debtor is the support of his wife and 2 sons. He is terminating farming and ranching operations in this locality and is not realising a great deal in the way of returns for the investment he has made, receiving the sum of Three thousand dollars ($3,000.00) only for the quarter section together with a 17 year grazing lease on 1,500 acres of land and 4½ miles of fencing valued at Four hundred and fifty dollars ($450.00). His land is assessed at Four hundred and forty dollars ($440.00) for taxation purposes.

In view of the small returns this individual is receiving from his holdings, it would appear that the suggested settlement is fair and equitable and I recommend that the same be accepted, the balance of the account, representing interest only being written off and the lien discharged.

Yours very truly,

CHIEF COLLECTOR

Re SEED GRAIN

Sir:-

In reply to your enquiry regarding seed grain I have to inform you that it is hoped that settlers will be able to provide themselves with seed grain this year without looking to the Dominion Government for help. The prosecution of this war has imposed, with its very heavy expenditures and vast amount of work a heavy burden on the Federal Government, which calls for the greatest possible co-operation on the part of all residents of Canada. Under the circumstances this Department will grant assistance only to destitute homesteaders and furnish seed grain under the following conditions:-

1. Applicant must be a homesteader on unpatented land and in destitute circumstances, who lost his crop last year by some calamity, and whose land would have to go unseeded but for the aid of this Department.

2. Only sufficient seed will be allowed for the acres already under cultivation on the applicant's unpatented land and no seed will be allowed for spring breaking.

3. All applications before receiving any consideration from this office will have to be certified to by the Dominion Lands Agent, in whose district the land is situated. This certificate to show that the land described was filed upon by the applicant, is in good standing and patent not issued.

4. It is not the intention of this Department to ship any seed from outside points provided seed grain can be purchased locally by applicant on Government order. Applicants must give name and address of party or parties from whom the seed they require can be purchased, and state the price per bushel. If grain cannot be procured locally, the Department will purchase the seed required but applicant must state on his application the station where the grain should be shipped to.

5. If the applicant receives favorable consideration an official order will be issued from this office accompanied by liens. The party to whom this order is made out will supply to the settler the amount of seed stated thereon. After the liens have been signed and completed by the applicant and a receipt given for the grain so received. Any changes made in the papers cancels same. The party supplying the seed will attach his account in triplicate also the order and receipt for the grain together with executed liens in duplicate to this office. After papers so received are found to be properly completed, a Department cheque will be issued to cover the advance.

6. This Department will not be responsible for purchase of seed grain unless an official order is issued.

7. Settlers on patented land requiring seed grain must apply to their Municipality or to the Provincial Government.

8. Any applicants securing seed grain from this Department through any misrepresentation will be severely dealt with.

Enclosed please find application blank.

Your letter of the 9th ultimo addressed to the Deputy Minister, Department of Municipal Affairs, in connection with the above described land has been forwarded to this Department for reply.

For your information I may say that the above described land is included in long term Grazing Lease No. 30612. This lease issued in favour of Alfred F. Hosmer of Stzikom, Alberta, for a term of 16 years, computed from the 1st day of March, 1934.

On the 25th of November, 1940, Mr. Hosmer executed an assignment of the lease in favour of himself and S.N. Davis. Their latest address is:

Re: Account of Alfred Anderson,
S.E. 4-7-8-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1914 seed grain amounting to $16.25 was advanced to Alfred Anderson on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 16.25	$ 30.03	$ 46.28

Alfred Anderson in 1914 obtained an advance of seed grain on the security of the above land ... which he was homesteading. He later abandoned his entry. In 1920 patent was issued to Floyd J. McComb and there is no record of the indebtedness having been registered.

The whereabouts of the original lienee has become unknown and there is no possibility of collecting the account at this time.

As the original lien was never registered and there is no further security, it is recommended that the indebtedness be cancelled.

S.E. 4-7-8-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1918 seed grain amounting to $209.20 was advanced to Floyd J. McComb on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 209.20	$ 451.46	$ 660.66

Patent was issued in the name of Floyd John McComb for the S.E. 4-7-8-W4 on the 19th of August 1920, subject to the 1918 and 1919 liens.

In 1927 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title reverted to the Crown in the right of the Province.

This quarter section is now under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is still vacant and no longer being operated. It is not assessed as of any value or subject to taxation. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Sir,

Pre-emption - John F. Thatcher.

Referring to the sworn statement you have made in support of the cancellation proceedings entered against your pre-emption entry for the quarter section above described, I beg to inform you that according to the evidence furnished in your application for patent you commenced, the fourth day of June, 1903, to reside upon the said quarter section, and have resided thereon for three full terms of residence with your father on the east half of section 7, township 15, range 2, west of the 4th Meridian, and a further three terms of residence on your homestead. Therefore, you would appear to have fulfilled the requirements of your pre-emption entry with regard to residence duties. According to your statement you have also have placed under crop not exceeding a reasonable proportion of the land already broken, and you would then appear to be in a position to make a successful application for patent.

Proceedings will be held over until the 1st June next in order to give you an opportunity of completing your cultivation duties and then making application for patent. Should you be unable to pay for your pre-emption, you may apply through the agent of Dominion Lands for a certificate of recommendation which will entitle you to mortgage, assign or transfer the land and thereby raise sufficient funds to complete payment and obtain patent for the land.

(Assistant Secretary).

Re: Account of John F. Thatcher
M.L. 6-15-[illegible]-4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1918 seed grain amounting to $276.25 was advanced to John F. Thatcher on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 276.25	$ 469.09	$ 745.34

Patent was issued in the name of John F. Thatcher for the M.L. 6-15-[illegible]-4 on the 26th of December 191[illegible], and there is no record of the lien having ever been registered against the land.

Title to the land is no longer in the name of the debtor. His whereabouts is unknown and it is considered that there is no possibility of collection.

As the lien was never registered against the land and there is no further security for our advances, it is recommended that the indebtedness be cancelled.
